of Box Butte County
and City of Alliance

VOLUME XVIII

ALLIANCE, BOX BUTTE COUNTY, NEBRASKA: THURSDAY MARCH 2, 1911

NUMBER 12

What It Means

Many people do not know what a bank's Capital is for, or the difference between a bank of little or no capital and one with large capital.

A Bank's Capital

Is the fund that protects the depositors from loss; therefore the larger it is, the greater protection the depositor has. This bank has a

Capital of	\$ 50,000.00
Surplus Fund of	50,000.00
Undivided profits	25,000.00
Additional Stockholders Liability	50,000.00
A total of	\$175,000.00

This means that we must lose \$175,000.00 before our depositors could lose a cent. This protection is for YOU. When you think "Bank" think "First National."

BARRIERS BUNED AWAY

To give the receipt for writing a story that will be read and continue to be read long after the author's name is but a memory would indeed be something impossible.

"Barriers Burned Away," E. P. Roe's celebrated novel, has the distinction of being in a class of its own, the numbers of copies sold are greatly in excess of 1,000,000 and it is still one of the "best sellers" in the book shops. The story deals with incidents of the great Chicago fire, that in the early 70's almost wiped that city out of existence.

"Barriers Burned Away" will be the offering at the opera house in the near future.

Beauty Depends on Toilet Preparations

to a very great extent. The fairest skin will roughen, the whitest teeth turn yellow, and the most luxuriant hair fall out, if neglected.

You cannot overlook your toilet if you would become beautiful or retain your beauty. Moreover you must use only the purest and best toilet helps—poor toilet preparations are worse than none.

We can supply you with pure, fresh and wholesome toilet goods of every description. We are convinced of the superiority of **REXALL** Toilet Preparations for we know their ingredients. **REXALL TOILET CREAM** will keep the skin clean, soft and fair, giving a beautiful complexion. **REXALL TOOTH POWDER** insures early teeth, kills all germs and sweetens the breath. **REXALL "93" HAIR TONIC** preserves the hair full, long and silky, free from dandruff. Sold with the **REXALL** guarantee.

HOLSTEN'S

FAIRVIEW NOTES

A good many interesting things have been happening in the Fairview neighborhood during the last week or two which should have been published, but our reporter failed to send them in.

The Valentine social which was held at the residence of Mr. and Mrs. Wm. Aspden, was well attended and a very pleasant time enjoyed by those present.

The attendance at the W. C. T. U. meeting and preaching service on Sunday, February 18th, was large and a good interest was manifested in both services. The Lincoln Day program given by the W. C. T. U. was interesting and without doubt had a wholesome influence. The attendance last Sunday was small on account of the day being cold. The next meeting will be held on Sunday, March 12th.

A big crowd attended the public sale of R. B. Logan and H. N. Houkum last Thursday, and things sold well.

Arrangements are being made to have the stereopticon lecture which will be given in the U. P. church in Alliance on Friday night of next week, given at Fairview on Monday night, March 13th. Further notice will be published next week.

IN MEMORIAM

In loving memory of Mrs. Minnie E. Colerick, who departed this life February 23, 1911:

She has gone our dearest loved one,
To that land that knows no pain,
To that land of many mansions,
And we look for her in vain.
Husband, father and mother,
What can we say to comfort you?
Every place and every instant
Bring fresh thoughts and tears anew.
But, oh what a consolation
When she answered to the call
Of him who watches over his loved ones,
To know she was loved by all.
So dear mother, brothers and sisters,
Let us drive the tears away,
And prepare to meet our loved one
In that home as fair as day.
When she crosses o'er the river,
Jesus will meet her on the shore,
And, oh what a glad reunion,
Meet with loved ones to part no more.

Let us not think how she suffered
Now so free from care and pain.
For we know that she is happy,
And our loss is but her gain.
—Written by a Friend.

BAPTIST CHURCH

At the Baptist church next Sunday evening the pastor will deliver the first of a series of illustrated sermons to be given from time to time. These are something new in the class of sermons. Special music. Everybody welcome. Franklin McNeill, Pastor.

U. P. CHURCH

Owing to be absence of the pastor, Rev. A. L. Godfrey, the pulpit at the United Presbyterian church will be supplied next Sunday at 11 a.m. by John W. Thomas. There will be no evening preaching service.

FAIRVIEW CHURCH

The next regular meeting of the Fairview church will be on Sunday, March 12th. The W. C. T. U. will be at 2 p.m., to be followed by preaching. A cordial invitation is extended to all to attend both services.

BASKET BALL

There have been some doin's in basket ball circles in western Nebraska the past week. Last Friday night the Alliance High school girls' team defeated the Scottsbluff High school girls by the score of 30 to 19, the game being played in the Alliance H. S. gym. The score of the Alliance girls is the highest that has ever been made by a girls' team in this city. Miss Katie O'Donnell made a score of 22, which was also a record breaker for girls' individual score.

At the same place the next night the Alliance H. S. boys defeated the Bridgeport H. S. boys by a score of 87 to 13. Another record was broken for the Alliance floor, 87 being the highest score ever made in a game here, being one more than the record of two years ago, when Alliance defeated Crawford, 86 to 4. Clarence Schaffer broke the individual record with 57 points, the previous record being that of Camille Nohe, 44.

DIED AT RIPE OLD AGE

Claus Matthews Eckman was born in Germany, October 2, 1830; died at his late home four miles north of Alliance, Nebraska, February 27, 1911. He leaves a wife and six children. He came to America twenty-eight or twenty-nine years ago, and located at North Bend, Nebr. Nineteen years ago he came to Box Butte county and took up his residence on the place which was his home from that time till his death. At the time of the death of his daughter, Mrs. Kline, which occurred about three weeks since, he seemed to have a premonition of his own demise and said that he would follow her, although he appeared to be in fairly good health at that time.

He was the father of eleven children, five of whom are dead. He was an upright citizen, a faithful member of the Lutheran church, and was one of this county's highly esteemed citizens. To the aged widow and other relatives and sorrowing friends The Herald wishes to express the sympathy which we feel for them in the time of their affliction.

The funeral will be held in the German Lutheran church in Alliance this Thursday afternoon, at 1 o'clock, conducted by Rev. A. L. Godfrey, pastor of the United Presbyterian church. Interment will be in Greenwood cemetery.

STAMP CANCELLING MACHINE

Upon invitation of Postmaster Tash The Herald editor called at the post office this morning to inspect the new automatic stamp cancelling machine. It's a time and work saver, and on account of the large amount of business at the Alliance office is much appreciated by the postmaster and his force.

STEREOPTICON LECTURE

A stereopticon lecture will be given at the United Presbyterian church Friday evening, March 10th, on the subject, "Egypt—Where our Civilization began."

This is a popular study of the way

in which the people of the Nile valley began the now familiar arts and crafts which underlie our own every day life—building construction, the making of furniture, clothes, jewelry, agricultural machinery, dishes, books, pictures, etc., etc. The slides show beautifully the picturesque land and its marvelous monuments as the traveler finds them along the storied banks of the Nile.

The views will be put upon the canvas by a new, first-class stereopticon, a hundred slides being used. Rev. A. L. Godfrey will deliver the lecture and Rev. A. F. Bundy will operate the machine. The stereopticon lecture given last year gave good satisfaction, but it is said that the views for the coming lecture will be much better. Admission, 15 and 25 cents. Lecture to begin at eight o'clock.

TULLY AND HIS VELIE

C. H. Tully, one of the wealthiest and best known ranchers of Nebraska, was a caller at the World-Herald office yesterday. Mr. Tully is an old and highly esteemed friend of the sporting editor, and he never forgets the World-Herald on his visits to Omaha. He came in this time for an automobile and he got it—one of the highest price Velies in the market, a fore door torpedo and a beautiful machine.—World-Herald.

AUCTION SALE OF LUMBER

The lumber remaining unburnt in the recent fire that destroyed the Catholic church will be sold to the highest bidder on the church grounds next Saturday afternoon at 3 o'clock sharp. Here's a chance to get a lot of building material cheap. Be on hand to bid.

TEACHERS' EXAMINATION

The regular teachers' examination for Box Butte county will be given at the office of the county superintendent, in the court house, Friday and Saturday, March 17 and 18, 1911. At the same time and place will be given a special examination to candidates for professional life certificates.

TRAINMEN'S TIME BOOK

J. H. Brown has had a quantity of trainmen's time books printed for gratuitous distribution, which will be a great convenience for engineers, firemen, conductors and brakemen. Persons wishing these books can secure a supply by applying to O. E. Williams, yard master, or Roy Beckwith, at "The Right" clothing store.

SUBSCRIPTIONS TAKEN TO CHRISTIAN HERALD

Subscriptions to the Christian Herald are received by W. A. Dunlap. The price is \$1.50 per year. Persons who wish to leave their subscriptions at The Herald office may do so without extra expense to either the subscribers or Mr. Dunlap. 12-15-590

CHASE-LISTER CO.

Beginning tonight, March 2, this popular company will hold the boards at the Phelan opera house for the balance of the week. Having played Alliance several seasons past, this company needs no introduction to Alliance "playgoers" for they are well known as the best theatrical company in repertoire show on the road. In addition to the regular plays the company presents exceptionally strong vaudeville specialties between all of the acts. The ladies orchestra is also an entertaining feature of the show. Prices 25, 35, and 50 cents. Saturday matinee 10 and 25 cents. 12-11-600

NOTICE TO HERALD READERS

We furnish our readers a good quota of news this week, but on account of beginning the publication this week of The Lingle Herald, at Lingle, Wyoming, the printing of which is done for the present in our Alliance office, a few important items, including an obituary of Judge Spacht and some half dozen wedding notices are crowded out till next week. The reason that these are crowded out while other matters of less importance are inserted is that, on account of wanting to secure additional data for these important items, we deferred writing them up until it was too late to insert them.

FUNERAL OF JUDGE SPACHT

News of the sudden death of Judge Spacht, which occurred at Lewellen, Nebr., early last Tuesday morning, caused a cloud of sorrow to hover over this city, where he is so well known and so highly esteemed. The funeral will be held from the M. E. church tomorrow (Friday) afternoon, at 2 o'clock. Interment will be in Greenwood cemetery.

An extended obituary notice will appear in our next issue.

LOCAL PARAGRAPHS

Mrs. B. F. Elsea of Canton was one of The Herald's visitors from the west side of the county last week.

Don't forget the Lenten Tea at Mrs. F. E. Holsten's Friday afternoon from 5 to 7 o'clock. Lunch 25 cents. Everyone invited.

Chas. W. Lockwood of Canton, postmaster at that place and secretary of the Box Butte county Sunday School association, had business in Alliance last week.

Mr. Day Cunningham left Monday night on a business trip to Sheridan, Wyoming. He expects to return the latter part of the week.

Local

L. M. E. Anderson left on 44 yesterday for a combined business and pleasure trip to Iowa and Minnesota, expecting to be gone a week or ten days.

After an absence of two years, Charlie Tash is greeting his many Alliance friends again. He arrived from Omaha this morning for a couple of weeks' visit with home folks.

Miss Mayme Tyson, who was called away about a month ago on account of the illness of her mother, returned Wednesday morning to Alliance. She was accompanied by her mother.

"A black eye" is a common sight in Alliance the last week or two, caused by basket ball, automobile cranks and other cranks. Bates Copeland says he got his by falling down stairs.

Miss Billie Stuckey returned Wednesday morning from Chicago where she has been purchasing the Spring stock of millinery for Stuckey Co. She has made arrangements for a complete line.

Ora Phillips has about recovered from the blow of an automobile crank which he received a few weeks ago. While he was not kept from business by the accident, the injury was quite painful and it was lucky that it was not much worse.

Mrs. A. J. Shumway went to Alliance this morning to meet Mr. and Mrs. Norman McKinnon who are returning from Omaha, where Mrs. McKinnon has been in the hospital for several weeks.—Scottsbluff Herald, February 24.

Jim Feagins returned Sunday from his western trip, having been gone since January 25th. On his way back he came via Salt Lake City, where he transacted some important business, closing a deal for four thousand head of Utah cattle.

Rev. Geo. G. Ware will hold services at the Episcopal church Sunday morning at 10 o'clock. A cordial invitation is extended to all. Sunday School at 11 o'clock. Young Ladies Mission Study class meets with Miss Ethel Miller Tuesday evening at 7:15.

The large circulation of The Herald among farmers and ranchmen makes it a valuable advertising medium for persons holding public sales, as well as for merchants. We are pleased to note that the sales advertised in this paper lately have been well attended and the things sold have generally brought good prices.

Among the prominent ads in The Herald this week is that of Drake & Barb, proprietors of the Resident Meat Market. These gentlemen have done a good business since opening their shop on Sweetwater Ave. They are giving their customers satisfactory goods and service, and are reaching out for new customers in the proper way by means of "printer's ink."

J. L. Biederman, who was formerly an Alliance boy, being employed as a dispatcher at the office here, was a caller at The Herald office on Friday and asked to be placed on The Herald list for the coming year. Mr. Biedermann is now employed at Deadwood, but having an opportunity to visit his Alliance friends, ran down for the week.

A. V. Macgill, who recently fought a ten round draw in this city with Jack Fitzgerald, stopped over Saturday and Sunday on his way to Sheridan, Wyoming, where he is to fight a twenty round bout with Morris Thompson of Butte, Montana. Thompson has been defeated only once and that by Ketchel, but we think that Mr. Thompson is due to "ketchel" from A. V.

The "Whirl o' Th' Town" company from Alliance arrived in Scottsbluff Monday afternoon and the same evening presented that comedy to an audience that crowded the seating capacity of the opera house. The play was put on in excellent shape and the audience was highly pleased with the entertainment provided. A dance was given those who cared to stay after the show until the Elks special train left for Alliance at 12:15.—Scottsbluff Herald, February 24.

We are pleased to call attention this week to E. I. Gregg & Son's double column ad on another page. These gentlemen carry a large stock and can supply your needs either by wholesale or retail. Their large trade keeps their stock moving, so that you are always sure of getting fresh goods in ordering of them. If you need anything in their line, either flour, meal, etc., or feed for stock or poultry, read their ad in The Herald and note the prices which they are now making.

Advance Showing

Spring Styles

Ladies' Oxfords

We are showing nearly twice as many styles as before.

Our Krippendorf-Dittman Oxfords are renowned as the line that combines style, fit and durability, while the Red Cross Oxfords give both style and comfort, because of the flexible sole that bends with every move of the foot.

We invite you to call and see this advance showing.

NORTON'S

CIVIL SERVICE EXAMINATIONS

United States civil service examinations for stenographers and typewriters will be held in Nebraska during the spring of 1911, as follows: Beatrice, April 5; Grand Island, April 1; Holdrege, April 3; Lincoln, April 6; McCook, April 4; Norfolk, March 29; North Platte, March 31; Omaha, April 6.

Although the above schedule does not include an examination at Alliance, we are informed that if there are enough applicants from this vicinity to indicate a demand for it, efforts will be made to arrange subsequent schedules so as to include this city.

Persons who wish further information regarding these examinations can secure the same by applying to Mr. J. N. Johnston, secretary of the local civil service board, at the Alliance post office.

The Hirsch-Wickwire line of clothing, absolutely the best ready to wear clothing manufactured in the United States, is now carried in Alliance. Roy Beckwith of "The Right" clothing store has secured the agency for these elegant suits, and some of the advance spring styles in staple patterns are now ready for inspection at the above named store.

We invite those who are interested in the best to be had to call and look them over. Respectfully,
12-11-596 ROY BECKWITH.

POLITICAL NOTICE

I hereby announce myself as an independent candidate for city clerk at the election to be held in Alliance April 4th, 1911.

I ask the vote of every voter who wants an experienced man who will keep the records of the city of Alliance in a business-like manner. My experience of six years in office work and the fact that I have a downtown office at which I can be seen at any time during business hours should be an argument in favor of my election.

If the city council of Alliance desires the city clerk to hold the position of assistant water commissioner or I pledge myself to apply for that position in case I am elected.

If I am elected I will furnish the newspapers a full and complete report of the proceedings of the city council after each meeting.
12-11-587 LLOYD C. THOMAS.
